### In detail:

**3 poems:** 1994

**Special appearance as an actor** in the first episode of the TV series by Yiorgos Mihailidis «Oi agnoimenoi», episode's title: «To perasma». (1st broadcast: 13-9-1994)

Countless artistic attempts, prolusions and experimentations until 1995, that they consist mainly of short movies, scripts, attempts of adapting specific stories for theater and cinema, feature films, incomplete works in general, that remained either in the script stage or in pre-production and never went beyond for either technical, economical, or more often strict artistic reasons that have to do with the initial vision and the impending result!

From 1995 and henceforward I have complete conscience and creative control in everything I do.
